

ASUS M3 Series (M3200/M3400/M3700)

Broaden the vision with unlimited enjoyment

- Up to AMD Ryzen™ 7 5700U Processor
- AI Noise-cancelling Technology
- 178-degree Wide Viewing Angle
- Up to WiFi 6 (802.11ax)

The stunningly beautiful ASUS M3 series all-in-one PC has a FHD LED display with a near-invisible display bezel that gives you edge-to-edge visuals and an incredible screen-to-body ratio. Combined with its advanced ASUS SonicMaster audio — featuring a DTS Audio Processing bass-reflex speaker system and two-way AI-powered noise cancellation — M3 series immerses you in amazing visuals and superb sound for the ultimate entertainment experience.

Incredible NanoEdge Display

The space-saving ASUS M3 series is remarkably slim and light, and its NanoEdge display features an impossibly thin bezel for edge-to-edge viewing and an impressive 87%~91% screen-to-body ratio. The stunning widescreen display includes wide-view technology that makes it perfect for sharing pictures or videos with friends and family, no matter what angle the display is viewed from! With Full HD (1920 x 1080) resolution, you'll enjoy games and movies in beautiful detail, with amazing color and contrast.

Vibrant and vivid!

The NanoEdge display on ASUS M3 series features wide 178° viewing angles, and 100% sRGB color gamut for vivid and realistic-looking colors. It also includes exclusive ASUS Splendid technology to ensure true-to-life colors — whether it's an image of a sunset, a clear blue sky, or subtle skin tones. The matte anti-glare coating minimizes annoying reflections for maximum viewing comfort.

Advanced bass-reflex speakers

For amazingly immersive multimedia experiences, ASUS M3 series has a hugely powerful audio system. The two integrated high-quality stereo speakers are capable of delivering 6W of pure and rich sound, and benefit from an advanced bass-reflex design — a design typically only available in hi-fi speaker systems — to deliver smooth, powerful bass and clear, full-range sound that has to be heard to be believed.

ASUS M3 series (M3200 / M3400 / M3700)

- Windows 11 Home
- Up to AMD Ryzen™ 7 5700U Processor
- 21.5" / 23.8" / 27", Full HD (1920 x 1080)
- Anti-Glare Panel with slim bezel and up to 91% screen-to-body ratio
- Up to 32GB DDR4 3200Mhz
- Up to 512GB M.2 PCIe SSD + 2TB HDD
- HDMI-in for flexible usage (M3400, M3700 only)
- Support up to WiFi 6 (802.11ax)
- Two-way AI-powered noise cancellation
- SonicMaster-ultimate audio experience
- Huge stereo sound with DTS Audio Processing
